

YOUR PROFESSIONAL SOLUTION FOR DISTINGUISHED CLAIM HANDLING

N&C CLAIMS SERVICE, INCORPORATED

SOMEONE YOU **CAN COUNT ON** TO MAKE YOUR POLICYHOLDERS **A #1 PRIORITY**

Owner and President Nick Ierulli began N&C Claims Service, Inc. in 1990. Having incorporated a "Family Owned" atmosphere throughout the years, N&C Claims Service, Inc. has retained its corporate philosophy of "EXCEEDING THE CLIENT'S EXPECTATIONS" through retention of long term employees, together with, the incorporation of the latest industry technologies.

DAILY CLAIMS SERVICES

Our daily claims operation consists of a full adjusting staff working property and casualty investigations. With our custom tailored online claims management system, which allows adjusters, managers, and clients to seamlessly integrate and communicate throughout the claims process, we believe we are positioned as a leader in the claims industry.

We are an established Third Party Administrator. We are proficient with Xactanalysis and Xactimate. Our Quality Control department helps us ensure a great product and service. We also offer ISO Search on all daily claims.

TRAINING & CONTINUING EDUCATION

N&C Claims Service, Inc. takes the training of our staff very seriously. We hire new adjusters every year and help them grow and develop into experienced ones. We also hire experienced adjusters and train them on our client specific requirements. N&C Claims Service, Inc. conducts regular training courses throughout the year to provide continuing education for all our adjusters.

We provide continuous training to our management staff throughout the year. N&C Claims Service, Inc. believes good communication is the key to success, thus building a stronger relationship with our clients. We are committed to being proactive rather than reactive.

CATASTROPHE SERVICES

N&C Claims Service, Inc. is extremely proud of our catastrophe services. We are established and reliable, with a proven track record. Most of our principles have been involved in catastrophe adjusting and management. Many on our staff have worked catastrophes as staff adjusters as well.

N&C Claims Service, Inc. will provide you with a functioning storm office within 24-48 hours of an event. The storm office has management staff on site, supervising the adjusters and communicating on a daily basis with the client.

We maintain the same level of communications with our insured's during a catastrophe as we do with our daily claims service. We truly believe the key to successfully handling any catastrophe is communication.

NEW ASSIGNMENTS PROCEDURES

N&C Claims Service, Inc. accepts new assignments via phone, fax, email, or our website. New claims are processed through our corporate office in Sarasota, Florida.

We immediately call each insured, advising them of their adjuster and provide the insured with their contact information. We then provide you with an acknowledgement of the claim, along with our file number and the assigned adjuster and their contact.
